## FEDERAL CONSTITUENCY

**VOTE**

**DR SCOTT ORADI UGBAH**

**FOR FEDERAL HOUSE OF REPRESENTATIVES**

**2027 ELECTION**

# KEY POLICY AREAS:

I will work hard to enhance the growth and development of this Federal Constituency with special attention to be paid to:

## 1. SUSTAINABLE AGRICULTURE AND FOOD SECURITY:

Our farmers need support to transition to sustainable farming practices. I will advocate for policies that ensure food security while protecting our land and water resources.

Within four (4) years of my tenure, I will strive to achieve the following:

- a. Train and empower about 1000 farmers (youths) on modern agricultural farming best practices across the agricultural value chain.
- b. Provides top quality seedlings for our farmers
- c. Provides free fertilizer for our farmers
- d. Construct storage facilities of our farm produce across the three LGA in order to secure the harvest from our farms
- e. Provides international partnerships on agricultural exchange practices with Israel, Brazil

## 2. HEALTHCARE:

I will work tirelessly to ensure that the people of this Federal Constituency have better access to quality healthcare services.

Within four (4) years of my tenure, I will strive to achieve the following:

- a. Train and empower all our health workers across the 3 LGA to be better positioned for excellence service delivery in our Primary Health Centers (PHC)
- b. Renovate and equip our dilapidated PHC across the three 3 LGA
- c. Establish at least 3 well equipped Specialist Hospital, one for each LGA across the constituency for better health care.
- d. Train 100 medical doctors and other health workers
- e. Sponsor 10 persons each across the country to study abroad
- f. Introduce Mobile Clinic across the three local governments etc.

### 3. EDUCATION

**I will ensure inclusive and equitable quality education and promote lifelong learning opportunities for all. I will use education as a driver to unlock our collective prosperity.**

**Support for Teachers: Teachers are our unsung heroes. I will champion policies that provide better pay, benefits, and professional development opportunities for educators**

**Within four (4) years of my tenure, I will strive to achieve the following:**

- a. I will ensure that about 80% out of school children are enrolled in a free education programme across the constituency**
- b. Provide welfare support for our primary and secondary school teachers**
- c. Provide bursary support to our students in tertiary institutions**

6. Support for Health Care Institutions, Orphanages, HIV/AIDS advocacy and general Health related Campaigns.
7. Agriculture, the mainstay of Logo, Ukum and Katsina-Ala Economy will be given holistic attention. Aside from support to Farmers through purchase of seedlings, implements, insecticides and equipment for primary processing, working with other levels of government. I will ensure that Logo, Ukum and Katsina-Ala farmers get their fare share of available resources and opportunities in this country.
8. Arts, Culture, Music and Capacity, building initiatives that will be supported and promoted to empower our artisans, artists, and other creative minds, Institutions and Activities.
9. Projecting and embodying a firm, respected, consistent and informed Voice in the House of Representative.
10. Forging and maintaining a positive working synergy with the Leaders, the Youths and Community Organization.
11. Community Development program including market development and small credit scheme to benefit Market Women.
12. Establishing a functional Constituency office in the three Local Governments to enhance access to all.
13. Prudent utilization of Constituency Funds for genuine, people, focused, transparent and verifiable projects and programs.

In all, I promise to be accessible/reachable, and I will make the people of Logo, Ukum and Katsina-Ala Federal Constituency proud, and represent you honestly and respectfully, to the best of my abilities.

Lastly, I am counting on your full support and prayers at this point and together I believe we can transform this Vision into Action.
